

# ELD LEVEL 2

## Drive Academic Success with Standards-Based Digital Resources

Suitable for distance learning or use in the classroom, Language Tree Online ELD 2 accelerates English language proficiency and supports academic success. This program is designed for intermediate level English learners and LTELs in middle and high school, and incorporates grade-appropriate subject matter content in the areas of social studies, sciences and math. To build a strong foundation in language, the assessments and instructional modules are aligned with the latest WIDA, California, WIDA and TEKS English Language Development Standards.

- **Standards-based language assessments** provide educators with a clear view of each student's strengths and weaknesses — down to the individual skill level — for more personalized instruction
- **Standards-based language lessons** cover foundational literacy skills, collaborative listening and speaking, and language function and construction.
- **Downloadable instructional routines** help teachers structure whole class or small group instruction

Students can learn at their own pace, using a laptop or any connected device.

- Curriculum aligned with WIDA, CA and TEKS standards
- Developed by a National Board-certified ELD educator
- Video instruction together with interactive exercises and oral practice
- Detailed reporting for teachers and administrators to monitor progress
